Consent Agenda

The Board reviewed the March minutes and financial reports. A motion was made by Greg Wagner, seconded by Betty Ellerhoff to approve minutes and financials. Motion carried.

Unfinished/Old Business

- The FY2014 Budget proposal was presented for approval. The Executive Director requested putting in a 3% raise in the budget for the Office Manager. Doug Beland made a motion to approve the budget and Jon Bell seconded. Motion carried.
- Chair Pam Spear stated the Office Manager's one-year anniversary would be in November. Does the Board want to do a COLA in July and then a merit increase in November? Mark Worrell said if she just had a review, now is the time for a merit increase. The Executive Director stated \$1,500 would cover COLA and a merit increase. Pat Hasenbank made a motion for a 3% COLA effective July 1 for the Office Manager. Mark Worrell seconded.
- The Executive Director ordered QuickBooks through Jim Reeve at Latta Harris. He stated CCEDCO probably did not need the Non-Profit edition, so there would be a cost savings of \$50-\$100.

New Business

- Mechanicsville has applied for the Alliant Energy Branching Out Program, which is a community grant program to plant trees and improve energy efficiency. All the cities are encouraged to apply for it. Industrial Parks are no longer eligible for this program.

It will take approximately 1-1 ½ hours; pizza and pop will be provided.

- Adam Sandberg has generously volunteered to help CCEDCO make changes on their website to get more traffic. There will be more tabs developed and the News & Info tab will be back on the home page.
- Worked together with TEDCO and the City of Tipton on a potential new business in Tipton. A site selector and business incentives packet was put together.

Office Manager/Marketing Assistant

- Working on a CCEDCO Newsletter and is planning to have a sample by May meeting.
- Attended Marketing Workshop at the Cedar Rapids Library on March 31.

City Reports

- Durant and Stanwood are doing spring maintenance.
- Durant is developing a punch card/shop local campaign.
- Tipton reported the Masonic Cemetery received a \$10,000 donation for improvements, possibly trees and a kiosk. The cemetery is currently being mapped. The County now has new election equipment. The Courthouse has hired a Bailiff/Security Guard. A new Assistant County Attorney was also hired.
- Lowden is working on a new business listing. They will be updating their website as it has been receiving a lot of traffic. The housing addition to 5th street place is moving forward. The Iowa DOT has finalized the purchase of two properties along Hwy 30 and Washington Avenue that were flooded last summer. They hope to have the properties torn down by September.
- Sue Hall mentioned the Executive Director had a nice report. She was happy to read in the report that the Creative Corridor will be using Cedar County in their advertising. The Executive Director commented she provided Creative Corridor with a few unique Cedar County businesses for them to possibly spotlight. She also commented that Cedar County would have a voice in future commercials.
- West Branch has recently approved seven building permits. Casey's and Altorfer are optimistic on the completion schedule of their new buildings. Eighteen acres was purchased for a new recreation center. West Branch is very happy to be back with CCEDCO.
- Clarence reminded everyone of their new restaurant, Victory Lanes, and encourages everybody to stop by.
